A Year Gone by

Ease your grief, he is not gone
For in your heart he lingers on.
His smile, his laugh, his special way,
Will comfort you from day to day.
You'll feel his presence in the breeze
That dances gently through the trees.
And it's his face that you shall see
When you're in need of company.

At any time you can recall
The love you shared...you saved it all.
And really more than anything
You'll find peace in remembering.
